CHARACTERISTICS OF EFFECTIVE LEARNING	<p>Playing and exploring: Children investigate and experience things, and 'have a go'. Children who actively participate in their own play develop a larger store of information and experiences to draw on which positively supports their learning</p> <p>Active learning: Children concentrate and keep on trying if they encounter difficulties. They are proud of their own achievements. For children to develop into self-regulating, lifelong learners they are required to take ownership, accept challenges and learn persistence.</p> <p>Creating and thinking critically: Children develop their own ideas and make links between these ideas. They think flexibly and rationally, drawing on previous experiences which help them to solve problems and reach conclusions.</p>
OVER ARCHING PRINCIPLES	<p>Unique Child - Every child is unique and has the potential to be resilient, capable, confident and self-assured.</p> <p>Positive Relationships - Children flourish with warm, strong & positive partnerships between all staff and parents/carers. This promotes independence across the EYFS curriculum. Children and practitioners are NOT alone – embrace each community.</p> <p>Enabling environments - Children learn and develop well in safe and secure environments where routines are established and where adults respond to their individual needs and passions and help them to build upon their learning over time.</p> <p>Learning and Development - Children develop and learn at different rates. We must be aware of children who need greater support than others.</p> <p>PLAY - We understand that play is an integral part of learning and this is at the heart of our early years' curriculum. We believe that the correct mix of adult directed and uninterrupted child-initiated play ensures the best outcomes for pupils. Warm and positive relationships between staff and children, consistent routines and strong relationships with parents are key. We recognise the crucial role that early year's education has to play in providing firm foundations upon which the rest of a child's education is successfully based.</p>

ELG: The Natural World Children at the expected level of development will: - Explore the natural world around them, making observations and drawing pictures of animals and plants; 15 - Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class; - Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.

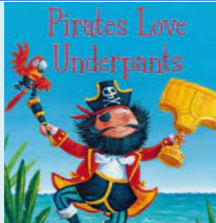

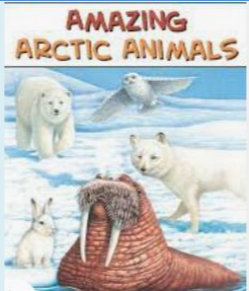

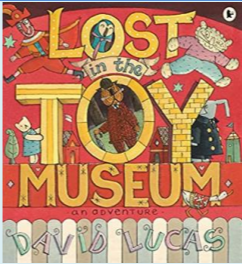

PRIME AREAS PD Physical Development	Develop the overall body strength, co-ordination, balance, and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport, and swimming. Develop their small motor skills so that they can use a range of tools competently, safely, and confidently. Suggested tools: pencils for drawing and writing, paintbrushes, scissors, tweezers, chopsticks, tools, knives, forks, and spoon. Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor. Develop overall body-strength, balance, co-ordination, and agility		
	Further develop the skills they need to manage the school day successfully: lining up and queuing, mealtimes. Attend to toileting needs most of the time themselves. Dresses with help, e.g. puts arms into open-fronted coat or shirt when held up, pulls up own trousers, and pulls up zipper once it is fastened at the bottom. Revise and refine the fundamental movement skills they have already acquired: rolling, crawling, walking, jumping, running, hopping, skipping, climbing.	Further develop and refine ball skills including throwing, catching, kicking, passing, batting, and aiming. Develop confidence, competence, precision, and accuracy when engaging in activities that involve a ball. Observes the effects of activity on their bodies and the factors that support their overall health and wellbeing: regular physical activity, healthy eating, toothbrushing, sensible amounts of 'screen time', having a good sleep routine, being a safe pedestrian.	Combine different movements with ease and fluency. Develop the foundations of a handwriting style which is fast, accurate and efficient. Use of large equipment Shows some understanding that good practices with regard to exercise, eating, sleeping and hygiene can contribute to good health. Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group

History KS1

- changes within living memory – where appropriate, these should be used to reveal aspects of change in national life
- events beyond living memory that are significant nationally or globally [for example, the Great Fire of London, the first aeroplane flight or events commemorated through festivals or anniversaries]
- the lives of significant individuals in the past who have contributed to national and international achievements, some should be used to compare aspects of life in different periods [for example, Elizabeth I and Queen Victoria, Christopher Columbus and Neil Armstrong, William Caxton and Tim Berners-Lee, Pieter Bruegel the Elder and LS Lowry, Rosa Parks and Emily Davison, Mary Seacole and/or Florence Nightingale and Edith Cavell]
- significant historical events, people and places in their own locality

Geography KS1

Locational knowledge

- name and locate the world's seven continents and five oceans
- name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas

Place knowledge

- understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country

Human and physical geography

- identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles
- use basic geographical vocabulary to refer to:
 - key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather
 - key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop

Geographical skills and fieldwork

- use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage
- use simple compass directions (North, South, East and West) and locational and directional language [for example, near and far; left and right], to describe the location of features and routes on a map
- use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key
- use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.

SCIENCE Yr2:	Living Things and Their Habitats	Materials	Food chain and Keeping healthy	Animals including Humans	Plants	<u>Worldwide Habitats</u>

Science yr2

Science

Working Scientifically
During years 1 and 2, pupils should be taught to use the following practical scientific methods, processes and skills through the teaching of the programme of study content:

- asking simple questions and recognising that they can be answered in different ways
- observing closely, using simple equipment
- performing simple tests
- identifying and classifying
- using their observations and ideas to suggest answers to questions
- gathering and recording data to help in answering questions.

Living Things & Their Habitats

- explore and compare the differences between things that are living, dead, and things that have never been alive
- identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other
- identify and name a variety of plants and animals in their habitats, including micro-habitats
- describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food.

Plants

- observe and describe how seeds and bulbs grow into mature plants
- find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

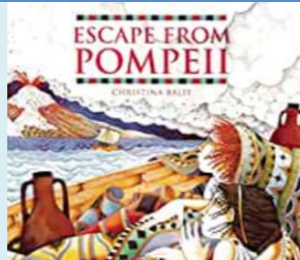

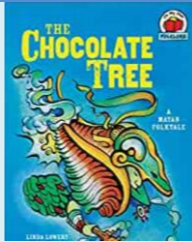

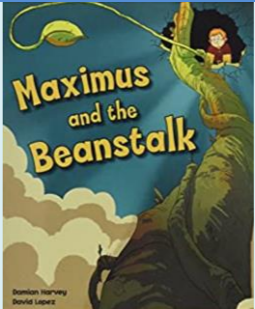

Animals, including Humans

- notice that animals, including humans, have offspring which grow into adults
- find out about and describe the basic needs of animals, including humans, for survival (water, food and air)
- describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.

Uses of Everyday Materials

- identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses
- find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.

History (bold = statutory) KS2

Changes in Britain from the Stone Age to the Iron Age:

- late Neolithic hunter-gatherers and early farmers, for example, Skara Brae
- Bronze Age religion, technology and travel, for example, Stonehenge
- Iron Age hill forts: tribal kingdoms, farming, art and culture

Roman Empire and its impact on Britain. This could include:

- Julius Caesar's attempted invasion in 55-54 BC
- the Roman Empire by AD 42 and the power of its army
- successful invasion by Claudius and conquest, including Hadrian's Wall
- British resistance, for example, Boudica
- 'Romanisation' of Britain: sites such as Caerwent and the impact of technology, culture and beliefs, including early Christianity

Britain's settlement by Anglo-Saxons and Scots. This could include:

- Roman withdrawal from Britain in c. AD 410 and the fall of the western Roman Empire
- Scots invasions from Ireland to north Britain (now Scotland)
- Anglo-Saxon invasions, settlements and kingdoms: place names and village life
- Anglo-Saxon art and culture
- Christian conversion – Canterbury, Iona and Lindisfarne

The Viking and Anglo-Saxon struggle for the Kingdom of England to the time of Edward the Confessor. This could include:

- Viking raids and invasion
- resistance by Alfred the Great and Athelstan, first king of England
- further Viking invasions and Danegeld
- Anglo-Saxon laws and justice
- Edward the Confessor and his death in 1066

a local history study could include:

a depth study linked to one of the British areas of study listed above

a study over time tracing how several aspects of national history are reflected in the locality (this can go beyond 1066)

a study of an aspect of history or a site dating from a period beyond 1066 that is significant in the locality

a study of an aspect or theme in British history that extends pupils' chronological knowledge beyond 1066. This could include:

the changing power of monarchs using case studies such as John, Anne and Victoria

changes in an aspect of social history, such as crime and punishment from the Anglo-Saxons to the present or leisure and entertainment in the 20th Century

legacy of Greek or Roman culture (art, architecture or literature) on later periods in British history, including the present day

a significant turning point in British history, for example, the first railways or the Battle of Britain

Science Yr3

Geography KS2

Locational knowledge

- locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities
- name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these aspects have changed over time
- identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night)

Place knowledge

- understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region within North or South America

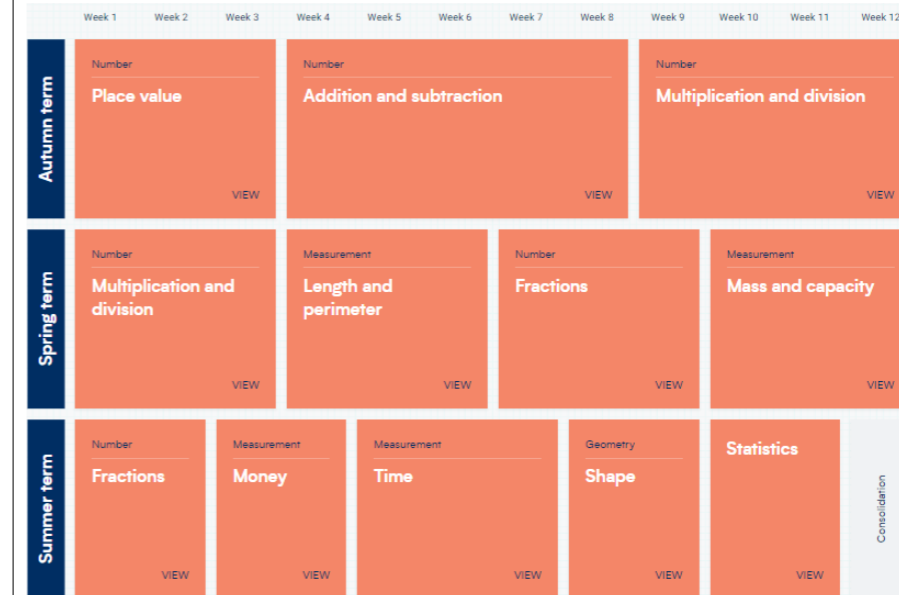

Human and physical geography

- describe and understand key aspects of:
 - physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle
 - human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water

Geographical skills and fieldwork

- use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied
- use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world
- use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.

FULL YEAR GROUP CONTENT

Contexts for Writing	Identifying the audience for and purpose of the writing, selecting the appropriate form and using other similar writing as models for their own. In writing narratives, considering how authors have developed characters and settings in what pupils have read, listened to or seen performed.								
Vocabulary	Use a thesaurus to enrich vocabulary choices. Use expanded noun phrases to convey complicated information concisely. Using modal verbs or adverbs to indicate degrees of possibility.								
Grammar	Recognising vocabulary and structures that are appropriate for formal speech and writing, including subjunctive forms using passive verbs to affect the presentation of information in a sentence. Using the perfect form of verbs to mark relationships of time and cause. Differences in informal and formal language synonyms & Antonyms. Use further cohesive devices such as grammatical connections and adverbials. Use of ellipsis.								
Punctuation	Using hyphens to avoid ambiguity. Using semicolons, colons or dashes to mark boundaries between independent clauses. Using a colon to introduce a list. Punctuating bullet points consistently.								
Handwriting	Choosing which shape of a letter to use when given choices and deciding whether to join specific letters. Choosing the writing implement that is best suited for a task. Letter-join used to teach correct formation.								
Planning	Noting and developing initial ideas, drawing on reading and research where necessary.								
Drafting	Selecting appropriate grammar and vocabulary, understanding how such choices can change and enhance meaning. In narratives, describing settings, characters and atmosphere and integrating dialogue to convey character and advance the action. Précising longer passages using a wide range of devices to build cohesion within and across paragraphs. Using further organisational and presentational devices to structure text and to guide the reader.								
Editing	Assessing the effectiveness of their own and others' writing. Proposing changes to vocabulary, grammar and punctuation to enhance effects and clarify meaning. Ensuring the consistent and correct use of tense throughout a piece of writing. Ensuring correct subject and verb agreement when using singular and plural, distinguishing between the language of speech and writing and choosing the appropriate register. Proofread for spelling and punctuation errors.								
Performing and Oracy	Perform their own compositions, using appropriate intonation, volume, and movement so that meaning is clear.
