Dear families,

My Child at School (MCAS) Online Payments

As you are aware from our previous letters and texts, from Monday 1st July, we will stop using Parentpay and you will make payments for lunches and trips through the MCAS app.

From Monday, you will be able to view your child's account in Parentpay but will not be able to make any further payments.

If you have a positive or negative balance on your Parentpay account, this balance will be transferred to your MCAS account.

How do I make a dinner payment in MCAS?

If your child is entitled to free school meals, please do not make any lunch payments. This is for your information only.

Please click on the link below for instructions on how to top up Dinner Money in your MCAS account.

Dinner Money Top up

- Please top up your child's Dinner Money account on MCAS before 1st July 2024
School dinners are priced at £2.30 per day or £11.50 per week for years 3-6.
Nursery lunches cost £1.90 or £9.50 per week.

I haven't downloaded the MCAS app yet. What do I need to do?

- On the Dixons Marchbank website, on the Letters to Parents page, there is a guide on how to download and access the app.
