

English

Our text is based on exploring and we will be reading 'Grandad's Island'. The children will study this text and use various writing, spelling, grammar and punctuation techniques to write an alternate ending.

Other studies this half term:

Various texts, extracts and poems to discuss how authors use a range of techniques to engage the reader and entertain.

Science

Living Things and their Habitats(worldwide)

We will be investigating how certain animals live in different climates. How have they evolved and what adaptations have they made to survive.

Music

The children will listen with attention to detail and recall sounds with increasing aural memory.

They will study the song 'Reflect, rewind and replay'.

Art

Children will paint Grandad's ship exploring the seas. They will also use different media such as oil pastels to create Grandad's house using their blending skills..

Geography – MAPS

The children will study maps and look at map symbols. They will then make their own map and direct others to use it.

Computing (computers and iPads)

Safety on the internet. Children will be taught how to keep themselves safe when online. They will also be using a painting program to replicate the style of various artists.

Year 2 Summer 2

Maths

Summer 2

Unit 1: Statistics

PSHCE

Healthy Me

Looking at ways of keeping ourselves Healthy.

Important Information

- Children are encouraged to read at home every night and reading records must be signed by parents/older siblings. This is an expectation that will help with learning.
- Reading books are changed weekly
- All homework is set on a Friday and this includes Reading, Spellings and TT Rockstars.
- P.E. kit is needed on Tuesday.
- Library time is on a Friday.

P.E Multi Skills

R.E. - What did Jesus teach and how did he live?

- Children will look at how what we do affects our world.
