Will our child mix with others from different schools or groups?

Our centres usually have several schools and groups staying at any one time, but children will all stay together throughout the day. The only time groups can meet is in the evenings as part of our Social Sundown unless participating in the Interaction module. Students from different schools never share the same dorms.

Boys and girls are accommodated in separate areas

Children with their friends

Many rooms en-suite access to toilet

Teacher room close by

Supervising staff and adults on night duty

Bedtime 9pm (children very tired)
